E-Mobility Asia Fuels Collaboration!

The CEO Business Luncheon hosted by E-Mobility Asia (EMA) at EQ Kuala Lumpur on the 30 May 2023 was an electrifying success! With 150 guests from 97 companies in attendance, the event generated an electric atmosphere of networking and collaboration. Esteemed speakers, including Dato' Dennis Chuah, Mr Edmund Araga, Mr Krisda Utamote, Mr Adrianto Gani, and Mr Azrul Reza Aziz, delivered captivating presentations, sharing valuable insights and updates on the electric vehicle (EV) industry. The luncheon served as a catalyst for inspiration and fostered connections among key players, leaving guests energised and ready to drive forward a greener and more sustainable future.

Stay tuned to the upcoming **EMA on 22 - 24 November 2023** at the **Kuala Lumpur Convention Centre**. Together, let's drive forward a **greener future!**

Let's charge with E-Mobility Asia!

Dato' Dennis Chuah
 President

Electric Vehicle Association of Malaysia (EVAM)

"We are proud to be the Strategic Partner for E-Mobility Asia. It will be an eye-opening experience on the potential of the industry right here in Malaysia, where we stand in this sector, and how we can capitalise on the local capabilities and resources to build a strong and sustainable EV eco-system."

Mr Azrul Reza Aziz
 CEO

Malaysia Automotive Robotics and IoT Institute (MARII)

"The disruption to the automotive industry has already begun. It is important for local industry players to seize every opportunity to increase their adaptability of EV technology to balance the transition of new mobility and their current business models."

Mr Edmund Araga
 President

Asian Federation of Electric Vehicle Associations (AFEVA)

"Asia is at the forefront of the global EV industry led by the rapid adoption rate in China. It holds tremendous opportunities for the ASEAN region as well, we can already see support from the various governments. The time is now."

Mr Krisda Utamote
 President

Electric Vehicle Association of Thailand (EVAT)

"The sharing of information and insights of market trends and what's coming next will bring immense value to existing EV stakeholders to improve their offerings and also, spur new business and investments in the market to boost consumer confidence."

Mr Adrianto Gani
 Vice Chairman Promotion & Marketing
 Indonesian Electric Vehicle Industry Association (PERIKLINDO)

"The cooperation among the EV organisations will be an important influence on the national policies to accelerate the development of an ecosystem to make ASEAN a vibrant hub in the innovation of EV vehicles."

Adjunct Practice Prof. Cheah Kok Hoong
 President
 ESG Association of Malaysia (ESGAM)

"The transition to electric vehicles brings immense opportunity which definitely making impacts to Malaysia's green, clean and sustainable living environment's hope to our beloved nation and community."

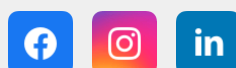

Don't miss out on this prime opportunity to showcase your brand and innovations at the EMA 2023!
