EMA 2023 is just around the corner!

Get ready to embark on an electrifying journey at E-Mobility Asia (EMA) 2023, where the future of the EV sector is set to unfold! You can be a key player in this dynamic market by joining EMA. This event serves as the catalyst to provide you with the latest insights and innovative creations in the world of electric vehicles.

A few months ago, we organised a CEO Business Luncheon for industry leaders and businesses to delve deeper into EMA 2023 and forge valuable connections. Watch the event highlights and listen to what our esteemed partners have to share about EMA and the impact it can have on our visitors. We are eagerly looking forward to your presence at this exciting event.

Let's charge with E-Mobility Asia!

During this 3-day event, EMA conference is scheduled to take place from 22 - 23 November 2023. This conference will extensively address important topics, including Electric Vehicle Industry Policies, Trends, Opportunities, Future Outlook in Asia, Disruptive EV Startups in ASEAN, and more.
