EMA 2023 a Resounding Success!

E-Mobility Asia (EMA) 2023 concluded with an electrifying surge of fresh insights into the ASEAN EV market. This event was a resounding success, drawing a substantial crowd and garnering a positive response. Throughout the event, we have featured a range of innovative showcases, conferences, business matching sessions, and technical seminars to enhance the experience for our valued visitors and delegates.

We would like to thank our supporting partners, sponsor, speakers, and media partners, all of whom played pivotal roles in making EMA 2023 a success. Their unwavering commitment created a thriving environment for networking, collaboration, and seizing new business opportunities.
