Get ready for E-Mobility Asia (EMA) Exhibition and Conference, taking place from 22 - 24 November 2023! EMA is your gateway to the latest innovations, deep industry insights, and invaluable connections within the electric vehicle (EV) sector. This event is a platform for unveiling state-of-the-art EV technologies, groundbreaking automotive innovations, and the latest in charging infrastructure.

The conference covers a wide array of EV-related topics, providing inspiration and fresh insights into the global EV landscape. Over 30 speakers from various regions in Asia will share their expertise during panel discussions and Q&A sessions.

EMA is also co-located with Sustainability Environment Asia (SEA), providing visitors with a unique opportunity to gain knowledge not only in EV but also in current sustainability solutions, infrastructure, and insights. It's a 2-in-1 knowledge opportunity for you!

Join us at EMA, where you will be among the first to experience this inaugural event and stay at the forefront of the EV revolution.
