The EMA Conference is scheduled to take place from 22 - 23 November 2023 at the Sapphire Stage, Hall 5, running alongside a 3-day exhibition. This conference organised by the Electric Vehicle Association of Malaysia (EVAM), serves as an invaluable opportunity to gain insights into the latest trends and updates in the electric vehicle (EV) world.

Speakers and experts from diverse backgrounds and countries will share their expertise and have networking sessions with the delegates. The conference features a comprehensive agenda covering critical topics such as Electric Vehicle Industry Policies, Trends, Opportunities, Future Outlook in Asia, and Next-Level Disruptive EV Startups in ASEAN, among others.

Don't miss out on the chance to secure your spot as a delegate, as seats are limited.
