

**EMA Recap Highlights and Get Set for the 2nd Edition!**

Full Video Highlights of EMA 2023

E-Mobility Asia (EMA) marked its inaugural edition from 22 – 24 November 2023 at the Kuala Lumpur Convention Centre, co-located with Sustainability Environment Asia (SEA). EMA served as an enlightening platform, facilitating connections between buyers and sellers from Southeast Asia, particularly in Malaysia, creating numerous business opportunities.

Exciting showcases featured prominently, such as CAM EV, the Electric Commercial Vehicle Line Up under Sendok Group, unveiling CAM EA4 in the presence of YB Senator Tengku Datuk Seri Utama Zafrul Tengku Abdul Aziz, Minister of Investment, Trade, and Industry (MITI). The Malaysia EV Showcase took the centre stage along with the Malaysia Automotive Robotics and IoT Institute (MARii), and Malaysian Technology Development Corporation (MTDC), unveiling their latest products and services during the event.

The event showcased Maxis as the Official Mobility Solution Provider, unveiling cutting-edge connectivity solutions specifically for the electric vehicle industry. Representatives from Maxis shared their extensive expertise in the EMA Conference and technical seminars, delving into the transformative topic of 'Connecting the Future of Smart Mobility'.
