

Gear Up for EMA 2024: Showcase Your Innovative Offerings!

Mark your calendars now for **12 - 14 November 2024**, as **E-Mobility Asia (EMA)** returns for its **2nd edition** at the **Kuala Lumpur Convention Centre**. Join us as we continue our commitment to advancing sustainable electromobility solutions, in alignment with Malaysia's vision to enhance competitiveness, attract investments in the EV sector, and propel the economy towards a net-zero carbon future.

We are thrilled to announce that EMA has received endorsement from the Ministry of Investment, Trade and Industry (MITI), and our strategic partners are the Electric Vehicle Association of Malaysia (EVAM) and the Malaysia Automotive Robotics & IoT Institute (MARii).

YB Senator Tengku Datuk Seri Utama Zafrul Tengku Abdul Aziz
Minister of Investment, Trade & Industry Malaysia (MITI)

I have witnessed the remarkable growth of Malaysia's electric mobility sector. EMA's contribution to that growth stands as a beacon of our whole-of-nation commitment to sustainable development, technological advancement and economic progress. We laud EMA's efforts in bringing industry leaders together to showcase cutting-edge technologies and foster collaborations, serving as a dynamic platform for fresh ideas that could catalyse positive change and a more sustainable, prosperous future.

Strategic Partner
Malaysia Automotive, Robotics and IoT Institute (MARii)
Mr. Azrul Reza Aziz
Chief Executive Officer

EMA is a transformative milestone in the realm of electric mobility. Our support for EMA signifies our unwavering commitment to nurturing growth and advancement within the automotive industry. This support goes beyond symbolic representation, it reflects our firm dedication to advancing the growth and development of the automotive industry.

Strategic Partner
Electric Vehicle Association of Malaysia (EVAM)
Dato' Dennis Chuah
President

With our support, we believe that EMA will play a pivotal role in shaping a greener and more environmentally conscious future for our nation. We encourage all stakeholders, from industry players to policymakers, to join us on this journey toward sustainable and electrified mobility solutions.

Prepare to explore exciting innovations and the latest in technology at EMA. Don't miss out on this opportunity to be part of the future of mobility and stay tuned for more exciting updates!

Exhibitor Profiles

- Automotive OEMs
- Automotive Component Manufacturers
- Automotive Ancillary Companies
- Autonomous Software Systems
- Battery Technology Companies
- Cabling and Connectors
- Charging Infrastructure Companies
- Electric and Hybrid Vehicle Manufacturers
- E-business platforms focused on the mobility sector
- Energy Storage Technology
- Engineering Consultancy
- EV Quick Chargers / Normal Chargers
- Future Mobility Startups
- Logistics and Transport Companies
- Magnetic Contactor Power & Energy Monitoring System
- Mobility Service Providers
- Providers related EV Technology and Service
- State Transport Corporations
- System Providers Software and Equipment
- Taxi Aggregators
- Thermal Management
