Call for Papers: E-Mobility Asia (EMA) 2024

We are pleased to invite submissions of papers for the **E-Mobility Asia (EMA) 2024 Conference**, the platform for sharing the latest advancements and innovations in electric mobility. Scheduled for **12 - 14 November 2024** at Kuala Lumpur Convention Centre, EMA 2024 will unite top researchers, industry experts, and policymakers to explore e-vehicle's transformative potential.

This year, we are excited to delve into the theme of ***Electrifying the Future: Transitioning Innovations Towards Mobility***, an exploration that promises to unearth fresh insights and spark dynamic conversations. The two-day conference will focus on e-mobility technologies, including OEMs, battery technology solutions, charging infrastructure, artificial intelligence (AI), connectivity & IoT, energy transition, and more.

Conference Theme

"Electrifying the Future: Transitioning Innovations Towards Mobility"

WE ARE SEEKING EXPERTS TO PRESENT ON THE FOLLOWING TOPICS:

- EV Policy and Industry Trends
- EV Adoption in ASEAN Two-Wheelers
- Building a Sustainable EV Workforce
- Challenges in Electrifying Commercial Trucking
- Low-Carbon Transportation Solutions
- Smart Mobility's Future
- Localized Battery Production: A Global Perspective
- Safety and Environmental Impact of Charging Infrastructure
- Connectivity in Mobility and IoT Solutions
- Driving Energy Transition for Mobility
