Malaysian exhibitors can benefit from:
 • Enhanced tax incentives, double tax deductions for export promotion.*
 For more information, please visit www.matrade.gov.my

Exhibit at EMA 2024 to gain exposure, forge new partnerships, and drive your business to new heights.

Conference Highlights

Join us for two power-packed days exploring cutting-edge topics and groundbreaking innovations:

Conference Theme

Electrifying the Future: Transitioning Innovations Towards Mobility

Day 1: 12 November 2024

- Policy and Regulatory Frameworks: Accelerating EV Adoption and Growth
- Electric Vehicles: Pioneering the Future of the Automotive Sector
- The Evolving Charging Infrastructure and Landscape
- Current Trends in Battery and Energy Storage System
- Successful Case Study and Business Models for Electric Vehicles in ASEAN

Day 2: 13 November 2024

- Strategic Financing Models: Public - Private Partnerships for EV Infrastructure
- Next-Gen Mobility in Global Electric 2/3 - Wheeler Market
- Advancing Sustainability through Battery Management: Recycling and Reuse
- Futuristic Ways and Opportunities in ASEAN's EV Markets
- Intelligent Mobility Solutions and Connectivity in Smart Cities Development
- Empowering the Workforce and Skills for the Automotive Sectors
- Enhancing the Environmental Impact and Safety on EV Ecosystems

Call for Speakers

We are looking for visionaries, experts, and innovators to inspire our audience. As a speaker, you will:

- Shape the future of e-mobility in Southeast Asia with your insights.
- Share success stories, case studies, and pioneering research.
- Educate attendees and audiences on critical e-mobility topics.
