

## Less than 3 Months to EMA 2024!

E-Mobility Asia (EMA) returns from 12 - 14 November 2024 at the Kuala Lumpur Convention Centre, showcasing cutting-edge electromobility solutions to support Malaysia's EV sector competitiveness and its net-zero carbon goal by 2050.

EMA 2024 is set to be a pivotal event, offering industry leaders opportunities to explore new ventures and forge strategic partnerships. The event is endorsed by the Ministry of Investment, Trade and Industry (MITI) Malaysia and the Malaysia External Trade Development Corporation (MATRADE).

A key highlight is the EV Conference 2024 on 12 - 13 November, organised by the Malaysia Automotive, Robotics, and IoT Institute (MARii), featuring discussions on various EV topics and trends.

**YB Senator Tengku Datuk Seri Utama Zafrul Bin Tengku Abdul Aziz**

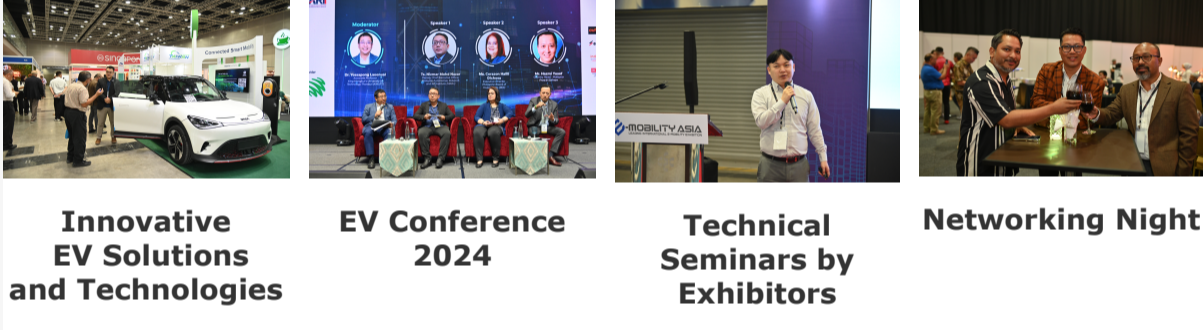

Minister of Ministry of Investment, Trade and Industry (MITI)

"I've had the privilege of working with the Ministry of Investment, Trade & Industry (MITI) to drive growth in Malaysia's electric mobility sector, aligning with NIMP 2030, the National Automotive Policy, and the National Energy Transition Roadmap. As Malaysia strengthens its commitment to sustainable development, event like EMA 2024 is crucial. This is a must-attend opportunity for policymakers, industry leaders, and innovators to share insights and adopt best practices in sustainability for EV and related industries."
