

Day 2 of GATE 2025 Sets the Stage for Next-Gen Mobility

Day 2 of the Global Automotive and Technology Expo (GATE) began on a high note as the Opening Ceremony brought together exhibitors, buyers and industry leaders from across the globe.

YB Senator Tengku Datuk Seri Utama Zafrul Tengku Abdul Aziz, Minister of Investment, Trade and Industry (MITI), remarked 'The momentum we see at GATE 2025 demonstrates the strengths and determination of Malaysia's industrial ecosystem.'

The opening ceremony was attended by distinguished guests, industry captains, government officials and international delegates, underscoring the event's significance as a national platform for advancing Malaysia's automotive ambitions.

The ceremony concluded with a symbolic launch gesture, followed by a group photo session. The moment signified the official start of GATE 2025, a milestone event uniting automotive stakeholders from across the value chain.

Day 2 Highlights

Here's a glimpse into day 2 of the GATE 2025! The exhibition halls were filled with energy as visitors experienced cutting-edge technologies and live product demonstrations.

Productive conversations between the exhibitors and visitors created valuable partnerships and opportunities across the region, while the GATE Conference shed light on advancing ASEAN's automotive ecosystem.

GATE Conference

The GATE Conference, powered by Knowledge Partner, PricewaterhouseCoopers (PwC), set the stage to draw strong participation from delegates and industry experts.

Speakers were able to provide insights into emerging automotive trends, covering topics such as AI-driven transport and autonomous mobility. The sessions featured thought-provoking discussions, offering participants a forward-looking perspective on the future of mobility in Malaysia and the region.

Highlight programs include the networking lunch, which provided exhibitors with an ideal platform for informal discussions and collaboration. On day 2 of GATE Business Matching, participating companies continued exploring partnership opportunities, sourcing prospects and supply chain integration with leading OEMs.

Adding to the day's activities, university delegations visited the exhibition halls to gain firsthand exposure to the industry's latest advancements. The visits aimed to bridge academia and industry, fostering talent development and innovation for Malaysia's future automotive workforce.

Here's What Our Partners Have to Say

Platinum Partner
En. Yusri Yusuf
Senior Director of Corporate Strategy
PROTON

'GATE is only a preview of the technology of Proton. Here we display both technology and we also provide insights of what we can offer to the industry through our participation as a panellist in GATE Conference.'

Strategic Partner
Ms. Aina Batrisyia
Administrative Assistant Officer
Malaysia Board of Technologist (MBOT)

'I think GATE is a great event. It provides us with a premiere platform where we can introduce and educate people about our growing automotive sector. This is a great opportunity and it's a pleasure to be able to exhibit at GATE.'
